The Senior Class

The Senior Class presents to you, the students of Glenwood, the 1959 NUSHKA as a tangible reminder of this school year.

"School days are happy days . . ." and all that remains of a school year after graduation is memories.

Our aim in editing this book has been to give you a pictorial record to help you sustain these memories of GLENWOOD.

"To have a good friend is one of the highest delights of life." This true friend and teacher we have had throughout our high school years in the person of MRS. BONNIE PARKER, who was our beloved English teacher during our first three years of high school.

She is never too busy to lend a helping hand to any of us in trouble, regardless of how trivial the problem may seem.

For her genuine interest in all of us, for her faith in the ultimate good of us, and for her love and loyalty to our school, we dedicate the 1959 NUSHKA to MRS. BONNIE PARKER, master teacher, true friend.

Directing profitable and memorable school days on an 86 acre campus with 829 energetic students is the task of our capable and dedicated administrators and 28 understanding faculty members.

A great American with the immortal name of Franklin D. Roosevelt once said, "Our schools...have always been molds in which we cast the kind of life we wanted."

It is my hope, Dear Seniors, that your school has guided and inspired you to mold your lives in such a way that each of you will enrich this great nation of ours and glorify the Maker of all mankind.

Sincerely,
Frank W. Howell

In one of Emerson's essays, he says, "The true test of a civilization is not the census, nor the size of cities, not the crops—no, but the kind of man the country turns out." The class of 1959 hope that they will be graduates whom Glenwood will be proud to claim as another alumni group.

The Glenwood Accelerated School for Veterans was established September 1, 1955. Since that time, it has operated continuously, including summer schools.

During the four years of the school's operation, 411 students have attended. Of this number, 152 veterans and 8 non-veterans have received diplomas.

The curriculum of the Accelerated School consists of high school subjects required for a high school diploma.

Coach Willard Roberts came to Glenwood from Etowah High School in Henderson County. His problem was "to whip into shape" two practically green basketball teams.

Evidently he did just that, since both teams chalked up 17 wins and only 5 losses during the season.

The promotion of good sportsmen has been his first objective. Repeatedly he has urged the Glenwood students to be good sports.

Coach Roberts is looking forward to coaching championship teams next year—champion sportsmen as well as champion ball players.

GOOD LUCK COACH!

The Glenwood Dragonettes placed second place in the McDowell County Tournament. Pleasant Gardens placed first by beating the Dragonettes by one point.

The Glenwood Dragons placed third place in the McDowell County Tournament.

Angeline Smith, Phyllis Koone, Gene Holland, and Joe Poteat were chosen for the "All Tournament Team" from Glenwood.

The Monogram Club, advised by Coach Willard Roberts, tried at all times to uphold the standards of the Sportsman's Creed.

Each member was expected to hold high the dignity and honor of the school therefore respecting the officials, leading the cheering, and serving the best interest of G. H. S. in every way.

At press time the Monogram Club was planning a banquet for its members.

Their spirit-raising yells kept our spirits high even when we seemed destined to be defeated.

The Student Council of Glenwood was composed of seventeen members this year, elected from their respective classes in the eighth through the twelfth grades. Its purpose was to bring about a better understanding between the faculty and student body.

Membership in the Student Council can be attained only by a student's being elected by his respective home room. Although membership is attained only by election, a good scholastic record, high character, and recommendation of the teachers and the principal are usually considered indispensable assets.

This year the Student Council assisted the teachers whenever it could by using monitors, and by encouraging cooperation on the part of the students. As their fund-raising projects, they sold basketball souvenirs and Glenwood High School banners.

The Glenwood Key Club is an active organization composed of boys interested in serving their school and community. The members were selected on the basis of leadership, ability, and scholastic achievement. On Wednesday of each week the club attended luncheon meetings, held in the school cafeteria with members of the Marion Kiwanis Club.

Harold Dean Suttles, president of the Key Club, spoke to the Marion Kiwanis Club on several occasions.

The club's activities and projects included sponsoring three divisions in the Kiwanis Club Fifth Annual Talent Show (all placing top honors), supporting the basketball team in actual game participation, and taking charge of the concession stand. They also attended conventions and compiled a Key Club scrapbook. The Key Club participated in the annual Christmas Parade of Marion with attractive Susie Buchanan as "Key Club Sweetheart."

By the activities of the Key Club, we see that they put into practice their motto: "To serve school and community."

Mr. Raymond G. Ledbetter, Commercial teacher, was adviser for the club.

The Glenwood Chapter of the National Beta Club was organized November 5, 1948.

This club stands for character, leadership, and achievement. Its motto is, "Let us lead by serving others."

Juniors and Seniors with averages of 90 or above, who are approved by the principal or faculty are privileged to join the Beta Club.

The Glenwood Beta, under the sponsorship of Mrs. Wilma B. Greene, had twenty-nine members this year. The Beta Club held its induction of twenty-three new members on January 9, 1959. The theme was, "The Beta Ladder of Success."

Their money-raising projects this year were selling Christmas cards and cookies to raise money for the purpose of attending the State Beta Club Convention.

The Norman F. Steppe Chapter of the Future Teachers of America was organized in 1952. The chapter was named in honor of Mr. Steppe, who served as superintendent, principal, and teacher for over forty years.

The main purpose of the Future Teacher Club is to encourage students to enter the teaching profession. In 1958, two Glenwood Future Teachers were awarded State Teacher Scholarships.

In addition to aiding teachers in classroom activities and serving as substitutes when teachers attend professional meetings, the Future Teachers also serve in Pre-school Clinics, plan and participate in activities for American Education Week, welcome and entertain new teachers, and act as hostesses for professional meetings at school.

Sixty-two members composed the Glenwood chapter of the F. F. A. this year. The chapter was organized in 1930, and called the Glenwood Chapter of Young Tar Heel Farmers; the membership was twenty. Vocational agriculture was offered in the fall of 1941 for the first time since 1933, and the first chapter of the Future Farmers of America was organized.

This year the chapter engaged in many activities such as pruning fruit trees and vineyards, setting tree seedings, culling poultry, and carrying out their own individual supervised farming program.

During the last three years they have won two first place awards for over-all activities during the school year and one second place award, thus giving us two over-all banners won in their Federation, which includes McDowell, Polk, and Rutherford counties.

Last summer a group of boys attended White Lake F. F. A. Camp.

The many activities of the club show that the boys are "Learning to do, doing to learn, earning to live, and living to serve."

In 1956, the Glenwood Chapter of the F. H. A. was organized for the purpose of promoting the joys and satisfaction of homemaking.

The thirty-five members of the club this year sold hose to earn money to buy F. H. A. jackets and pins. They also went to the F. H. A. District Rally at Lee Edwards High School in Asheville.

The Future Homemakers of America are tomorrow's home builders, community builders, and character builders. Facing the future with warm courage and high hope, they strive "toward new horizons."

For students interested in nursing or helping mankind, the Future Nurses Club was organized. At their regular meetings the club members heard graduate nurses speak, studied the Red Cross Manual, and saw films on nursing.

The club members assisted the doctor and nurse in the Pre-school Clinics and in their regular visits to the school.

Each year the club members have projects. Some of these were fixing sunshine boxes for invalids and helping under-privileged children.

The club visited the Marion General Hospital in the spring and enjoyed social hours at different meetings of the year.

The Glenwood Senior 4-H Club members tried to live up to their motto, "To make the best better," as they participated in different phases of agriculture and home economics, emphasized by Miss Julia Anne Smith, assistant homemaker, and Mr. Robert Love, assistant farm agent. Some of the achievements in these fields led to the winning of gold medals, ribbons, and certificates.

Members of the club participated in District and State contests. The committee from Glenwood did an outstanding job in displaying dairy products at the McDowell County 4-H Week observances, February 28 through March 7.

David McIntosh, a Glenwood Senior, was elected president of the McDowell 4-H County Council. James Bare was elected vice president and Patsy Westmoreland, reporter.

Glenwood was also honored by having David McIntosh selected as County Health King and Most Outstanding 4-H Club Member of the year.

The Intermediate and Junior 4-H Clubs have been active in all phases of 4-H work. One of the most outstanding achievements was the winning of a blue ribbon for a dairy calf at the State Fair in Raleigh; ours was the only Junior Club from McDowell County to receive this honor. The Club took an active part in presenting, along with the Senior Club, a display on milk production at the county achievement program. The officers have regularly attended the county council meetings, and the members served as the advertisement committee for the annual 4-H picnic. The club climaxed the year by presenting a 4-H Church-Sunday program in one of the local churches.

The clubs were sponsored by Mr. G. L. Byrd, faculty adviser; Miss Julia Anne Smith, assistant home agent; and Mr. Robert Love, assistant farm agent.
